GLOBAL PRINCIPLES

TOP STRATEGIES FROM GLOBAL CONVERSATION

- Visibility / Transparency / connectedness – strategic approach
- Single point of entry
- Welcoming / not prison feel
- Process of design / align with policy / align with first responders
- Pride of ownership / define public and private
- Social / emotional connectedness
- Layers of access control / visibility – cameras/ authorized access
- Feeling of safety
- Diversity of learning spaces
- Integrated communication plan
- Education around safety and security policy / features
- Place within the classroom that provides a sense of safety
- Design safety through architecture
